

Great  
Opportunity for  
2014

# BUILD

**your career at Bedfordshire**

## Add value to your degree with a six month internship

The University of Bedfordshire is launching new 21 month postgraduate degree courses including a six month paid internship for postgraduate students

This opportunity is available for students wishing to study

- MSc Advanced Nursing Studies
- MSc Computer Networking
- MSc International Business and Management
- Full-time MBA

## Earn while you learn

The six month internship will further your professional development and enhance your career prospects

Interns will be paid £500 per month whilst gaining practical work experience in the UK

All students undertaking an internship will receive support from their Faculty and the International Office

## Early payment discounts and Merit Scholarships

- The course fee for MSc is £13,600 including the internship
- The course fee for MBA is £14,950 including the internship
- Students who pay the full fee on or before registration can earn an Early Payment Discount of £1000
- Academic Merit Scholarships of £500 are available for students with 60% mark on average in a first degree
- In the unlikely event that an internship is not found £3,700 will be refunded
